No. they are going to combine the one I have been working on with the data and water quality. So it is not final. Sandy has the lead, please give any comments to her. I will help as needed. I'm going to go get some lunch and fresh air.

+ Joan

Joan I have reviewed FAQs-see attached. Martin was interested in TPs for the public meeting on compensation and Bob is working on this.

Should have the water quality fact sheet ready for review around 12:30.
